Scope of Work:

Application Submission

Required drawings include dimensioned site plan, dimensioned floor plan, and dimensioned exterior elevations. Show setback lines, building height, and extent of exterior materials.

The application for review of plans is not complete without the completed application form and payment of the application fee. The cost for review is limited to processing the review application and two site inspections for interior property line set back and height compliance.

Additional time incurred by OEHA or its architectural consultant will be billed directly to the Applicant.

Please print application and submit completed application, review fee (below) and one printed and one electronic*copy of plans to:
